Nuri proposes a modern spin on the explorer vessel. Her name means 'world' in Korean; suggestive of the adventures she promises. She is the first model in a new generation of the RJ range, and it is the innovation in her refreshing and spacious designs by Francesco Paszkowski and Margherita Casprini that set her apart. Sporty and sleek in looks, Nuri looks just as at home in the secluded anchorages as she does in glamorous hotspots.

Nuri offers several social hubs, throughout, both indoors and outdoors. Guests will find entertainment and adventure split

across all three decks: from the flydeck with sun loungers, to the main deck offering alfresco dining and the swim platform with direct access to the sea. If you're looking to start the day with a sun deck yoga session, spend the afternoon riding the waves, or the evening savouring the last of the rays with sundowners, Nuri offers it all for a charter experience to remember.
